

*The Alabama Pest Control Association Scholarship was established to support APCA member's children and their attendance to a college or university.*

*This scholarship program is well established and an integral part of APCA member services.*

Each year the Alabama Pest Control Association awards one or more scholarships to students whose parent or legal guardian is actively engaged in the pest control industry and is a current member of the APCA. These funds can be used to further the recipients' education at the college or university of choice. Review the following information carefully to determine qualifications, then complete the application.

Application must include the following:

- 1 Completed application..
- 2 Copy of most recent official school transcript.
- 3 Letter of school acceptance if entering freshman or changing schools.
